THE NEIGHBOURHOOD BOUTIQUE CAFFÈ

WHOLESOME | NATURAL | HOMEMADE

## OUR STORY

### 我們的故事

Founded in 2003, HABITŪ is a homegrown brand which serves quality, fresh roast coffee and gourmet meals in a cosy and homey environment, reminiscent of a conventional café in a small town in Europe.

#### CIRCA 2003 初心

Started with a humble dream of creating a cosy and a family-like cafe that is boutique in nature, we name our cafe as HABITŪ so it would remind us how we hope you would enjoy the warm ambience and savour the coffee moment with us.

#### HANDCRAFTED COFFEE 精品咖啡

/ Sourced Globally · Roasted Locally /

We've discovered young hidden talents who are world-class baristas to create your favourite handcrafted lattes with our signature house blend, Classico No.3, combining hand-picked coffee beans from single-origin coffee producing continents, then roasted in our local roastery.

#### NATURAL 天然

With the aim to serve the most authentic and finest handcrafted drinks and foods, all our products are freshly homemade with natural ingredients with no trace of syndicate colouring and syrup.

#### MINDFUL 感觀

We are fully committed to building sustainable lifestyle and green initiatives. We promote energy saving and zero waste, we serve biodegradable containers and cutleries as well as supporting events that would help our local community.

#### COMMUNITIES 社區

Our cafe grew to become a bridging space for our communities where people connect, brainstorm and discover. We weave our dedication and commitment to the community, our city and the global environment – because we know how important is our treasured HOME to us.
